# RULES

**A. General:** These rules aim to develop Footbike / Scooter racing as a fair and safe sport.

1. Participation is entirely at your own risk. We are trying to make this event as safe as possible, however accept no liability as a result of your participation in the organized events.
2. You will not be allowed to compete unless you, or your parent or Guardian if you are under 18, has signed a racing waiver and waived your rights to claim against the organizers or assistants.
3. The rules are in place for the protection of all competitors. Please obey all rules
4. Competitors ride scooters that are propelled by kicking or pushed/carried afoot. In kicking one foot pushes straight backwards on the ground like in running, while the other foot is resting on the scooter footboard. Skate-like or similar kick will not be permitted to participate.
5. Scooter construction is free but it may not have motor, mechanical gear or sail, nor sharp or protruding parts causing danger to other competitors.
6. We recommend that Racing Scooters have Pneumatic tyres and effective brakes. Scooters with Skateboard style wheels will only be permitted to race in the novice category.
7. An Australian standard approved Bike style helmet but must be worn at all times while kicking. Knee and elbow pads are compulsory for novice category racing but are optional for Pneumatic wheeled scooters.
8. At start both competitor and scooter stay completely behind start line. A second false start by the same competitor will result in disqualification.
9. First part of scooter crossing the finish line, provided it is still in contact with the competitor, will determine the race finishing order.

## **B. Competitors:**

1. Will race at their own responsibility, follows organizers and marshals instructions and acknowledges and accepts all the race rules, both written and verbal rules provided pre race.
2. May change malfunctioning scooter during race but must complete the majority of the course on their scooter.
3. Must not deliberately block opponents, and all kinds of pushing, pulling and kicking, other than that kick used for propulsion, is strictly forbidden, and disqualification will result.
4. Choice of riding line is free but after leaving a gap for an opponent to pass, one may not close the gap if scooters overlap. Do not cut anyone off.
5. Pacing or riding behind other kickers is only permitted in the same race and on same lap.
6. Any other unjust action, deemed as un-sportsman-like conduct may result in penalties, and /or disqualification, even though that act is not directly covered by these rules.
7. Supporters may not assist their competing kicker, or in any way interfere with the race itself or any other competitor, without risking penalty or disqualification of their own competitor.
8. Violation of these, and any common road rules, may result in disqualification.
9. Competitors can only race in their gender categories
10. Competitors in the children categories are unable to race on an adult or oversize scooter
11. Open Category racing is available for all ages, and the fastest overall male and female will be deemed the winner of the open category, even if they first registered for the Veteran and Junior category.

## **C. Judges:**

1. Protests are to be lodged with the event director, within 10 minutes of the last competitor finishing that event. The judges decisions will be final
2. The judges may make decisions that directly affect competition results, changing preset event course, race schedule, and anything else, where the overall safety and concern of the competitors, is deemed necessary.

## **D. Additional Notes**

Bring your own food and refreshments, especially water, and enjoy the afternoon

Early Bird Entry fees: – Australian Footbike Association members \$15, non-members \$20

Late Entry: \$5 extra if registering on the Day
